Customer and Stakeholder Engagement: Dover

On 30 November 2022 we announced the closure of 114 branches, including our branch at Dover. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 20th and 23rd January, we wrote to all regular users of this branch. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to Natalie Elphicke, constituency MP, on 30 November 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Post Office
- HM Treasury
- Cash Action Group
- CBI
- British Chambers of Commerce
- Which?

On 23 January 2023 our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Councillor Trevor Bartlett, Dover District Council
- Allison Burton, Dover Town Council (Parish)
- Dover Chamber of Commerce
- Dover Library
- Age UK Dover
- Dover and Deal Dementia Action Alliance
- Citizens Advice Bureau
- Kent association for the Blind
- Migrant Help
- Porchlight
- Sunrise Café
- Dover Outreach Centre

We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for

additional support. To view these reports just scan the QR code or visit https://www.hsbc.co.uk/branch-finder. Copies are also available in the closing branch.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to Natalie Elphicke, Constituency MP and there has been no further correspondence.
- We wrote to Migrant Help which is a local charity the branch works with. A zoom meeting was held to discuss how this will continue moving forward and a further call is scheduled closer to the branch closure date.
- Calls to vulnerable customers have been well received and they have generally
 welcomed the opportunity to discuss the branch closure as a follow-up to the letter
 they received. During these calls we have taken the time to understand our
 customers' specific circumstances, which has allowed us to provide our customers
 with information on the services that may be suitable for them.
- Customers have shown concern about the members of staff in the branch and have been pleased to learn that the team would be relocating to other branches.
- General customer sentiment was disappointment that the branch was being closed but after discussions with staff they understood the reasons the decision had been made.
